

This website is presented by Lake Macquarie City Council for the purpose of disseminating information free-of-charge for the benefit of the public. Lake Macquarie City Council is committed to quality service and makes every attempt to ensure accuracy, currency and reliability of the information contained on this portal. However changes in circumstances may impact the quality of this information.

Lake Macquarie City Council does not make any representation or warranty about the accuracy, reliability, currency or completeness of any material contained on this website or on any linked site.

Information on this website is provided as general information only and is not intended as a substitute for advice from a qualified professional.

Users of this website should use their own skill and judgment in using information on this website and carefully evaluate the accuracy, currency, completeness and relevance of such information. Users should take steps to independently verify the information on this website and, where appropriate, seek professional advice.

If there is any material that you consider to be misleading or inaccurate, please let us know so that it may be corrected if necessary.

Unless otherwise noted, material presented on this website is provided under a [Creative Commons Attribution 3.0 Australia licence](#)

Lake Macquarie City Council:

- does not warrant or accept any liability in relation to the quality, operability or accuracy of the information accessed on and through this website;
- does not accept any legal liability whatsoever arising from or connected to, the accuracy, reliability, currency or completeness of any material contained on this website or on any linked website;
- does not accept any responsibility or liability for any loss, damage, cost or expense whether direct, indirect consequential or special, incurred by, or arising by reason of, any person using or relying on the materials which appear on or are accessed through this website and whether caused by reason of any error, omission or misrepresentation in the material or otherwise;
- does not warrant that the material accessed on or through this website is free of computer viruses or other contamination;
- does not warrant that any third party material on external linked websites does not infringe third party intellectual property rights.

This website contains links to other websites. If you use these links, you may leave this website. Lake Macquarie City Council has no control over linked websites, and as a result:

- we make no guarantees in relation to the security of linked websites and do not accept liability in relation to security issues arising should you choose to visit those websites;
- we do not accept responsibility or liability for any loss, damage, cost or expense you might incur if you rely on information which appears on linked websites;
- when you visit a linked website, you will be subject to the privacy policy of that website and will no longer be subject to the Privacy Statement for this website;
- we are not responsible for the views, opinions, standards or information expressed on linked websites. The provision of a link does not imply that Lake Macquarie City Council endorses those websites or the people or companies who own them, and vice versa.

The providers of the linked websites often have their own applicable terms of service, protocols and standards in relation to their websites and the information which appears at them. Users of the linked websites should familiarise themselves with those terms of service, protocols and standards.

Users should be aware that the internet is not a secure medium and communications to and from the website may be intercepted or altered in transit, including through the use of viruses. Lake Macquarie City Council does not guarantee the security of this website or that all material available on this website is free from viruses. Users are advised to exercise care and discretion in the information they choose to make available on or through this website and to take adequate precautions to protect against viruses that may interfere with or damage your technical devices, hardware, software or data.
